MAROON TIDE IS SWEEPING ON "READY" SAY CONFIDENT YOEMEN

Our Town

By J. B. White

We are indebted to our good friend R. D. Brown for an editorial digest of press opinion touching upon the proposed constitutional amendments. Such readers as Mr. Brown may be relied upon not only to express reliable opinion but are potential editors as well.

Next Tuesday the people of Texas go to the polls. Their Legislators have passed to them for decision eight proposed amendments. Not one of them should have been submitted. What merit some of the proposals may have is lost in the indefinite, poorly drawn resolutions. To classify them, not as they may appear on the ballot, but for discussion we number them as follows:

No. 1 proposes to put a limit of \$22.50 for each person in Texas to pay for government expenses. Such a limitation would be ruinous. Nobody relishes the idea of paying a tax burden of \$22.50 per capita but in reality such a restriction would reduce the state to poverty. Texas' population is not sufficiently high to justify so small a prospective income for each two years. Besides no such law should be necessary for any state. Vote against it.

No. 2 would give the legislature the power to create new counties. If this amendment were enacted it would mean an orgy of political subdivisions and increased burdens to the people for government upkeep. Such a proposal springs from selfishness, with every fellow wanting a county of his own. This amendment would give occasion for numerous elections and would result in the destruction of many properly managed and satisfactory county alignments now existing. Each succeeding legislature would create a new crop of counties. Vote against it.

No. 3 is the much discussed amendment to give the legislature power to classify property for taxation. The politicians tell us it would mean placing property on the tax roll now escaping. This is untrue. Every law necessary to place such property on the tax rolls now are on the statute books. It is a deception pure and simple and if passed would enable the legislature under lobby influence to tax out of existence any given division of property owners in favor of another. Corporate interests whose earning capacity are the largest would escape if property taxes were shifted from visible to invisible assets. It would mean a sales tax or an involved system of specific levies and would bring about ruin and revolt. Vote Against it.

No. 4 proposes to abolish the fee system. This is the only proposal that has merit, yet its language and construction is so indefinite as to render it ineffective to bring relief if enacted. It proposes a salary for each county and district office holder in counties of over 20,000 population. While incomes would in some cases be cut, in major part the treasuries of the counties would suffer. Believe it or not, in the average counties it would mean added tax burdens instead of relief, for under the fee system officials are in major part poorly paid. Vote against it.

No. 5 is a ridiculous proposal to tax public lands. From counties where large bodies of land belong to the University comes the demand for more revenue, therefore they want University lands taxed. This is a neat bit of politics. To place hindrances about the property and income of the University of Texas, now that it has begun to realize the full benefits of its subsidies by the founders of the state, is unthinkable. Taxes thus collected would have to be (See OUR TOWN on page 6)

B. R. THOMPSON DIES FROM STROKE

EDUCATION BOARD HEAD COLLAPSES HERE SUNDAY

B. R. Thompson, 52, a resident of Sharp and chairman of the Milam County Board of Education, died within one hour in a local hospital Sunday afternoon at about 4 o'clock after he had collapsed in a local theater from a stroke of paralysis.

Taken to the hospital in an ambulance the widely known citizen died within an hour. He had been in declining health for several years, recently having spent some time in the hospital here. He had been actively associated with the management of the Dan G. Davis Mercantile Business in Sharp for many years. He had been a member of the Milam County Board of Education and was made chairman when the late W. A. Morrison died.

Funeral services were held Monday afternoon at the Methodist church in Cameron with the Masons from Buckholts in charge. At 3:30 o'clock Rev. Mr. Ward of Sharpe, Baptist, began the tribute to the deceased. He was assisted by Rev. N. D. Timmerman of the Cameron Baptist Church and Rev. Walter L. Cannon of the Cameron Methodist church. Interment was made in Oak Hill cemetery.

Basil R. Thompson was born in Port Sullivan in Milam County. He was educated in Texas Colleges and taught school for a number of years, having served as a member of the board of education for a number of years. In recent years he had lived at Sharp.

He is survived by one sister, Mrs. Ethel Herring of Mesquite and a brother, E. T. Thompson who lives in California.

FARMERS MAY BORROW MORE ON COTTON NOW

Milam County cotton producers who are holding Trust Certificates in the 1933 Option Pool may either sell their options outright, receiving the market price on the date the forms are authorized to be sold, or they may borrow an additional 2c per pound. To borrow the two cents would bring the producer approximately \$7.40 per bale, after administrative expenses have been deducted. The producer who borrows still holds his interest in this pool. To make these transactions, it will be necessary that all holders of these certificates call at the County Agent's office in Cameron.

FREEMAN SAYS SWAT AMENDMENTS

Our Constitution provides that all taxes shall be equal and uniform, and the purpose of one of the amendments is to amend this provision and give the Legislature authority to classify property for taxation and to fix the taxes on one class at one rate and another class at a different rate.

It is not stated what class shall bear a high rate and what class a low rate. This is left to the will of the Legislature.

If this amendment is adopted it is practically certain that those having the best lobby at Austin will get the lowest rate of taxes.

The Constitution of this state confers upon the Legislature, the Governor, the Senate, and the Lower House, taxing power far too great, and under this power the Legisla-

Grady Stidham Is Honored At Meet Held Last Week

Grady Stidham, Commissioner for Precinct 2 at Cameron, has been elected vice-president of the Texas Commissioners and Judges Association. He returned this week from the convention.

Mr. Stidham is serving his second term in office and friends in his district will be glad to know that he has been honored by the Texas organization.

Conoley Committeeman Opposes Nomination of Camp for Dist. Attorney

Knox Conoley, Democratic Executive Committeeman for Conoley Precinct, has released for publication a statement opposing the action of the Executive Committee for the county in certifying the name of Emory B. Camp of Rockdale for Criminal District Attorney.

Mr. Conoley believes that the voters

who write in the name of another candidate cannot be classified as bolters.

Bill Morrison who received appointment as District Attorney following the death of S. M. Burns, when shown the statement, said that he would make no campaign but appreciated the interest of his friends.

Mr. Conoley's statement follows:

Thorndale, Texas, October 30, 1934.

To the Democratic Voters of Milam County:

I have been asked by so many Democrats for my opinion regarding the action of the Milam County Democratic Executive Committee in placing the name of Emory B. Camp on the Democratic ticket that I have decided to publish my views regarding the matter.

I submit the following:

The action of the committee while perhaps binding on the members that entered into the contest between E. B. Camp and W. A. Morrison, either those present or those who were absent and sent proxies could not bind any voter who had no part in the contest.

In my opinion it would have been more democratic if our County Chairman had asked all precinct box chairmen to call precinct meetings and let the people instruct their respective local chairmen as to whose name should be placed on the ticket as the party nominee.

The many friends of the present District Attorney, W. A. Morrison who are going to cast their vote for him, can in no way feel that they are violating their primary pledge which was—"I am a Democrat and pledge myself to support the nominee of this primary." They can in no way be called bolters for voting for any good Democrat whose name they choose to write on the ticket for District Attorney, since the nominee, the late S. M. Burns has passed away.

I submit this opinion with all due respect to the committee who saw fit to suggest Mr. Camp and do not question their motive, but I feel sure that they cannot expect the Democrats who had no part in the controversy to be bound to their candidate.

Very respectfully submitted,
KNOX CONOLEY, Chairman,
Conoley Voting Box No. 40.

Breeding to Hrozek Pass Beats Granger in Last Minute of Play Friday

The Maroon Tide sweeps on. Yoemen continued their undefeated record Friday in enemy territory by roundly outplaying Granger and in the last minute of play scoring a touchdown which with the trusted toe of Breeding made the final score 7 to 0 for Cameron.

Coach Wood's 1934 Yoemen played a masterful game. The Granger men under Coach Hill put up a game battle but were outclassed for the day.

Time and time again Yoemen had the ball within easy scoring distance but through bad breaks and stellar defense on the part of Granger could not make the last mile.

The game was won in the last quarter and in the last two minutes of play. Yoemen had advanced the ball from midfield under the direction of Trent Newton at quarter. At the 40 yard line the ball was passed to Captain Gillis who ran it down to the 20 yard line for two first downs. Two tries at the line netted only five yards. It was then that Clint Breeding, fleet back dropped back and passed the ball to Ladis Hrozek who ran ten yards for a touchdown handily carrying over the line with him a literal swarm of Granger tacklers. Cameron fans got the scare of their lives in the next play. Ernis, a

Yoemen guard, kicked off to Prickle who received the ball on the Granger 10 yard line. In a brilliant run down the field Prickle carried the ball to Cameron's 25 yard line. Lad Hrozek who ran the distance of the kick to miss a tackle as Prickle grabbed the punt raced to the 25 yard line and made a tackle. S. McLane, stellar Yoemen end who turned in a great game for the day, stopped Prickle. The gun ended the game.

Newton 129 pound halfback, showed to advantage as did Eichenhorst, guard. Stanislaw, 135 pound guard, was a tower of strength. Leonard Blaylock, the best center in the conference in his line plays made the line effective at all times.

LAW AGAINST AMENDMENTS

Mr. J. B. White, Editor, Cameron Herald, Cameron, Texas.

Dear Sir:

On November 6th, next, the people of Texas are called upon to say by their votes whether or not eight Amendments shall be added to our Constitution. Since several of these proposed amendments have to do with our system of taxation and are of such vital importance, I feel that much publicity should be given; carrying to the people all of the information possible regarding these most important proposals. The men who attended the Constitutional Convention when the Constitution of this State was framed recognized a sacred duty but it appears in this modern age that designing people may propose changes in that sacred document and when our constituted authorities voted to submit these changes to the people they do so disclaiming any great responsibility since the people vote upon the questions submitted.

It appears in this instance as in all other similar cases, the people have little or no information about these proposed amendments. I desire to go on record through the columns of your paper, if it meets with your approval, as being unreservedly opposed to all of the proposed amendments. There is no doubt some good in the best of these proposals, but (See LAW on page 6)

'BATTLE OF CENTURY' WITH ROSEBUD FRIDAY

"We are ready now," was the confident attitude of Yoemen Thursday morning following a pep rally at Yoe High arranged by special grant of the school management and held in the auditorium.

Tomorrow night Coach Wood's 1934 classic reaches the climax of the season in the game with Rosebud. Both teams are undefeated. Rosebud's difficult victory over Belton last Friday and Cameron's easy victory at Granger, has given fans here greater reason for expecting the conference championship Friday night when the Maroon Tide of Cameron's first Big Train in ten years, goes on the lighted field for the battle.

There is no over-confidence, only a realization of a hard game with the district's high ranking team from Rosebud. Yoemen and Coach Wood are going out to give everything sporting hearts and fight are capable. "Skin them Panthers," was the community by line as the day approaches.

The largest crowd of the season is certain. Many towns will send delegations. The game will start at 8. Seating capacity will be taxed. What a night! Fight 'em Yoemen! "Skin them Panthers."

GENERAL ELECTION TUESDAY NOV. 6TH

Ballots for the general election on November 6 have been distributed by the county government.

The ballot one of the largest ever seen in the county, was printed in the plant of the Herald, work being started on the ballots Saturday and the ballots delivered Monday.

The ballot contains 8 amendments and six columns of party and space voting provisions.

As a usual experience no voting is had in a general election except during Presidential year. A light vote is forecast.

Roy H. Baskin Wins In Contest For Freshman Class

Roy H. Baskin, Jr., son of Mr. and Mrs. Roy Baskin of Cameron, recently won the Brown University mathematics circle award as a member of the freshmen class at the University of Texas. He won first place. Paul Cooper of Galveston was second and Julian Meers of San Antonio third.

Giles Avriett, graduate of Yoe High received honorable mention by officials of the contest. Cameron graduates have made splendid records in colleges.

Silver Hits a Snag

What's the matter with the Chinese?

Here the United States government, by the mandate of Congress, begins buying silver, which, among other things, is to restore the buying power of the eastern empire.

There, the ancient people, through their government, protest and set up an export tax on silver because the rise of silver discourages the export of commodities and thereby impairs China's purchasing power for imports.

We had the idea that an advance in the price of silver would increase the buying power of nations on a silver basis and restore, to some extent, some of our most foreign trade. It seems not, according to the Chinese.

Of course, it may be a bit too early to pass judgment. Perhaps, in the long run, when things settle upon the new basis, the silver buying policy will be vindicated. However, it remains to be seen.

Business Outlook Brightens

The general business outlook is somewhat improved as the four months slump seems to have ended and indications are that the upward trend will continue for five or six months, with perhaps a slight sag after the new year begins.

This is the belief of competent authorities and is borne out by the occurrences of the past three weeks. Moreover, business men are beginning to appreciate the importance of the gains made in agricultural areas where buying power must be restored before full recovery can be obtained.

The Herald has time and again

pointed out the potential demand for all kinds of commodities if the farming portion of the population is given a chance to profitably carry on its occupation. This has not been the case for many years although a start along the right road has been made and unless present policies are changed the agriculturalist can expect progressive improvement in the next three years.

Along this line we call attention to the recent statement of Merriell Stanley Rukeyser, economist of Columbia University who says that business men "have not fully appreciated" the relative advance in farm prices and that the "striking improvement in net agricultural purchasing power will support a level of economic activity substantially higher than that reached in July, 1933."

Luck to the American Legion

The American Legion, meeting this week at Miami, is preparing to demand national legislation to insure universal service of the country's manpower and industry in time of war.

Just before the convention began Commander Edward A. Hayes, of Decatur Illinois, made public what is believed to be the policy of the ex-soldiers. They wanted national conscription in war time, the freezing of prices, profits, wages and salaries at the pre-war level to prevent private gain and adoption of a plan to utilize all resources without any special profit or privilege.

The Herald is happy to endorse this general statement of Legion aims and hopes that the boys who were in the war will get behind some program of this kind in earnest. It is time for all nations to take the profit out of war and there is no time to do it when the fighting commences. The American Legion can be a great instrumentality for good in the United States if it will put aside selfish considerations entirely and be on guard for the national welfare. Unfortunately some years ago the impression was widespread that the Legion was not completely unselfish in its objectives but we believe that this has been eliminated in the past few years.

Fighting Kidnapers

Public interest in kidnappings is intense. It is not the matter of the money involved, bad as the stealing is, but the public sympathy is responsive because every man and woman can understand exactly how the members of a family are tortured over the fear for the safety of the stolen loved one.

The Federal Government, assisted by local authorities, has made a strong effort to punish kidnapers, in the hopes of breaking up the practice. The drive has not deterred criminals from trying to use what seems an easy way to accumulate wealth. They risk the punishment in the hopes of concealing their identity. Every time a kidnaper is punished, it helps discourage future stealings.

If it keeps on, however, sooner or later it will be necessary for some brave, courageous family group defy the underworld, refuse to pay tribute, and advise the criminal that blood money cannot be obtained this way. However, what family group can hesitate to barter dollars, if it has them, when a loved member of the group is in danger? So, this answer will hardly come to this criminal threat.

An aroused public must help end the racket. Alarms should be promptly given, every available avenue of publicity enlisted to catch the criminals, and no mercy shown them. Kidnapings must be made too dangerous for the underworld.

Navy Day

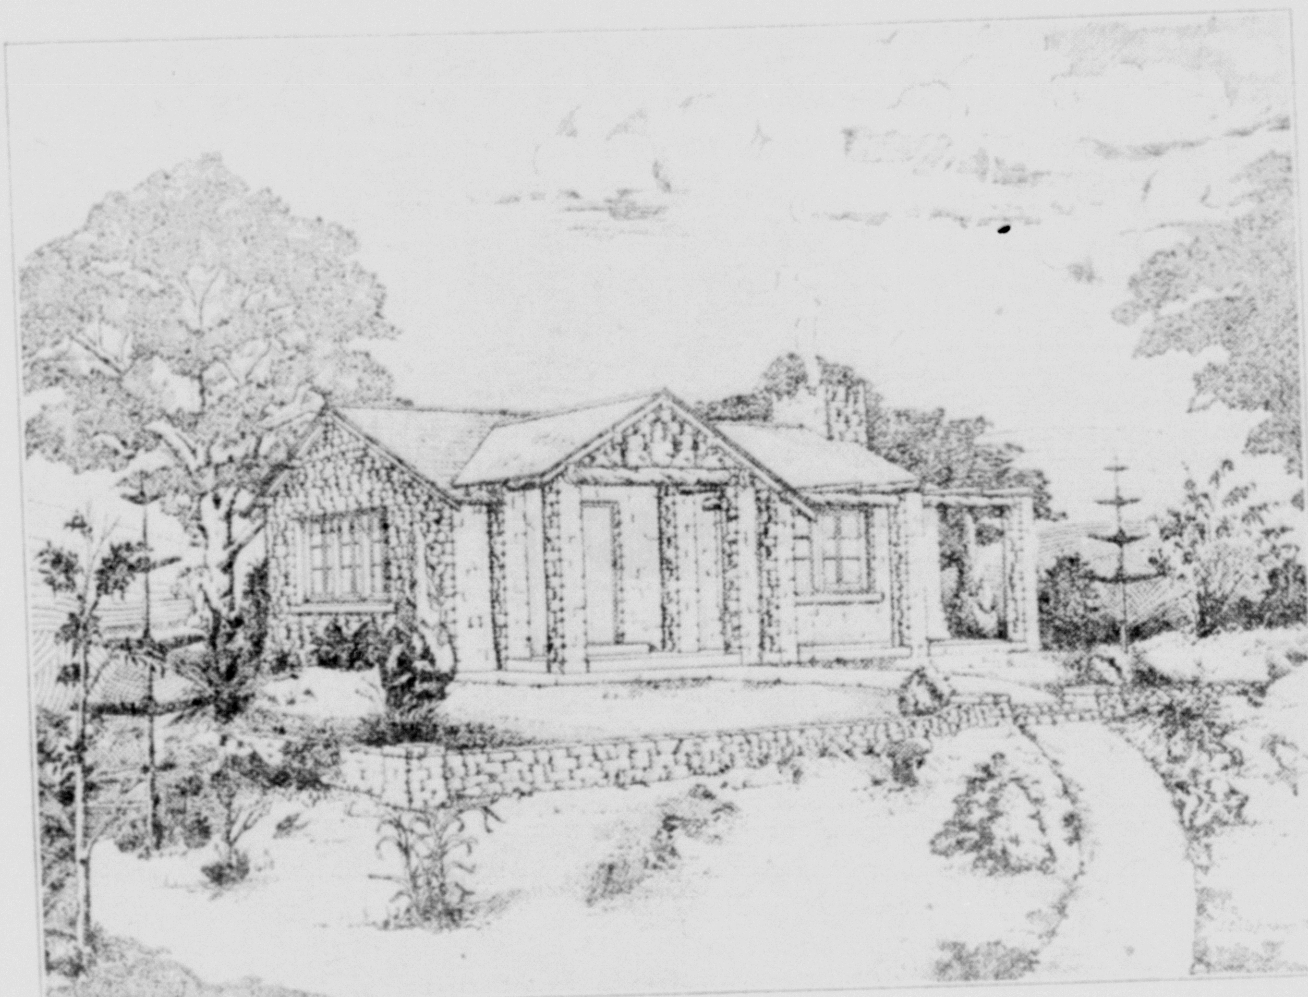

Saturday of this week, is Navy Day and celebrations will be staged in most seaport towns and cities to commemorate the occasion.

The day is set aside for the purpose of selling the navy to the nation and to express appreciation of its services to the country. In places historical tributes will be paid to departed heroes and the tales of fighting ships.

Because of Navy Day the Herald thinks it appropriate to say a few words about American naval policies at this time. We are not sure our citizens see much in a navy except the cost of building and operating warships, with perhaps a little advantage accruing from the personnel that is trained.

The navy is, as it should be, our first line of defense. If adequately maintained it guarantees, without doubt, American liberty because this nation, behind its protective guns, will be able to prepare to face any invasion that may be threatened. Without it to stand guard between foreign foes and our shores an invasion of our long coast line is easy and the capture of valuable sites a task of days only.

Girl Scout Cabin for WilsonLedbetter Park

With the aid of federal funds this Girl Scout for Cameron cabin will be erected in Wilson-Ledbetter Park. Already a Boy Scout cabin has been built. The sketch shown here is from the original drawing by J. E. Johnson, Cameron Architect. Federal funds will employ all labor necessary for the construction of the building. Plans for the improvement are included among the approved projects.

The Herald is not what is called a "big navy" advocate if security and self defense can be secured through a limited navy. However, if other nations insist upon maintaining large navies we are of the opinion that this country can, and as a matter of common sense should, afford to keep pace with them. There is no excuse whatever for any administration to permit the navy to deteriorate on a comparative basis.

Our people should realize that wars, as a rule, are over before new ships can be constructed to meet the emergency. Therefore the navy that we have when any war begins is going to be the navy upon which depends our national safety. It will be too late then to create floating fortresses.

We doubt if there is any one in Milam county more anxious for the establishment of peace or more willing for this nation to co-operate with other powers to preserve it. At the same time, and reluctantly, we have concluded that there will be future wars, with the probability that the United States will be engaged. The fact that it takes two to make a quarrel has a counterpart in the truth that it takes two to maintain peace and war may come to any nation, regardless of its pacific intention or its willingness to live and let live.

SHARP 4-H CLUB

Sharp 4-H Club met Wednesday, October 17 at 9 o'clock at the school building. Mrs. Davis, the sponsor, had charge of the meeting.

There were four new members joined at this meeting. They were: Willie Mae Inge, Lucille McQuarry, Mary McQueen, Corine Gray.

Ruth Jennings gave an interesting account of her trip to A. & M. Short Course this summer. She told of visiting the museum, a horse

show and many other interesting things.

Lydia Schroeder, the State Fair delegate, gave an interesting account of her trip and what she saw while she was there. She told of seeing the Milam County exhibits.

The name "Go Getters" was chosen as the name of the club and they hope to live up to their name.

The next meeting will be November 7 at the school building with Miss Strange in charge.

To help you AVOID COLDS VICKS VA-TRO-NOL*

Quick!—At that first nasal irritation, sniffle or sneeze—just a few drops of Va-tro-nol. It stimulates the functions provided by Nature—in the nose—to prevent colds and to throw off colds in their early stages.

Where irritation has led to a clogged-up nose (a stuffy head cold or nasal catarrh) Va-tro-nol penetrates deep into the nasal passages—reduces swollen membranes—clears away clogging mucus—brings comforting relief.

Va-tro-nol is powerful, yet absolutely safe—for both children and adults. It has been

clinically tested by physicians—and proved in everyday home use by millions.

*** Note—for your protection:** The remarkable success of Vicks drops—for nose and throat—has brought scores of imitations. The trade-mark Va-tro-nol is your protection in getting this exclusive Vicks formula. Always ask for Vicks Va-tro-nol.

FREE—a combination trial package of Va-tro-nol—its companion product, Vicks VapoRub (modern external treatment for colds)—and other medication used in Vicks Plan for Better Control of Colds—with directions for following the Plan. Get yours today at your druggist's. Or write Vicks, 2501 Milton St., Greensboro, N. C., enclosing 3c stamp.

ON THE AIR! "Open House at Vicks" with Freddy Martin's Orchestra and guest artists—every Sunday, 5-5:30 p.m., E.S.T., on CBS, nation-wide.

"Plantation Echoes" with Willard Robison and his Deep River Orchestra, with Mildred Bailey—every Monday, Wednesday, and Friday, 7:15-7:30 p.m., E.S.T., NBC Blue Network.

25th Anniversary

**It isn't Just the 25 Years
It's What they Stand for!**

The greater occasion is the accomplishment of those years—a record of useful service to policyholders—of progress and growth; of strength and reliability.

Since it was founded in 1909 the Great Southern has met promptly and satisfactorily its maturing policy contractual obligations. Over thirty-eight millions of dollars have been paid to policyholders and beneficiaries aiding stricken families, keeping children in school, sustaining people in their old age and preventing poverty. Furthermore during the years to come many additional millions of insurance will be issued for similar beneficial purposes.

In Cameron the Great Southern is very ably represented by Mr. A. V. Wokaty. He has been connected with the Company for the past several years. He has given his entire time to the study of life insurance and its application to each individual with results that he has acquired the name of being one of the best posted agents in Central Texas not only for his production ability but because of the clear, concise understanding he gives to each policyholder—that he adds to the Great Southern's ever growing roster.

There is a growing tendency among Cameron citizens to buy from Texas Institutions and this will no doubt contribute to the continued success of Mr. Wokaty in representing one of the outstanding Texas Institutions.

T. P. & L. CO-OPERATES IN BETTER LAMP LIGHT

Recent developments in home lighting have resulted in the manufacture of a new type portable lamp which has for its purpose proper lighting as a means of eyesight conservation. This new lamp is known as the study or reading lamp.

The new study lamp has formed a basis for the National Better Light-Better Sight Program, which is being sponsored by the Better Light-Better Sight Bureau. Working in co-operation with the program are architects, retail merchants, electrical contractors, electrical manufacturers, electric light companies and paint and wall paper trades. Each is doing its part toward promoting the Better Light-Better Sight story in their fields.

The Better Sight Program is based on findings of the new science of seeing. Research has shown that eyes were designed originally for seeing under daylight conditions, while modern eyes are used mostly for close and difficult visual tasks under artificial light.

"The new study lamp, which is being produced by the leading manufacturers, has been designed to meet the requirements of close seeing," J. C. Young, district manager of the Texas Power & Light Company said. This lamp is equipped with an opalescent bowl which allows light to filter downward for reading of other close visual tasks and at the same time reflects light up against the ceiling of the room to give general illumination. It is equipped with a shade with white enamel interior to provide a good reflecting surface. The height of the lamp is 19 1/2 inches from the bottom of the shade to the base. This height was determined by the Illuminating Engineering Society as correct for most efficient lighting effect.

"So popular has the study lamp proved that the lamp manufacturers have developed a semi-indirect floor lamp quite similar in construction to the study lamp and which also meets

the specifications for proper lighting set forth by the Illuminating Engineering Society."

Lady Went Back To Taking CARDUI and Was Helped

For severe periodic pains, cramps or nervousness, try Cardui which so many women have praised, for over fifty years. Mrs. Dora Dungan, of Science Hill, Ky., writes: "Several years ago, when I was teaching school, I got run-down and suffered intensely during menstruation periods. I took Cardui and was all right again. After I was married, when I felt all run-down and was irregular, I always resorted to Cardui and was helped." ... It may be just what you need. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. Sold in \$1 bottles.

Indian Collection Moved To Museum In Herald Bldg.

The D. W. Humphries collection of Indian artifacts, one of the largest in Central Texas, has just been moved to and housed in the museum at the Herald building.

The collection consists of about 2500 pieces or more, some of the best flint work ever found in Texas. Of interest to the people is the fact that with the exception of a few quartzite points from Alabama it is an exclusive Milam county contribution to Indian research work.

Mr. Humphries will leave Texas the latter part of this week for Alabama his old home and will be away several months. He lives in the Norman Valley section.

Included in the exhibit are two old guns and odd pieces of old relics. For some years Mr. Humphries has been collecting Indian flint work. Informed persons on Indian lore had to laugh this week when a newspaper story in a Texas daily told of a Centennial Committee from the Legislature visiting San Antonio and were shown a "fountain pen" made of bone and said to have been used by the Indians when the "Pyramids were P. W. A. Projects."

Mr. Humphries has in his collection some bone needles and one bead from bone decorated.

The collection will be open for inspection on Saturday of this week so that the public may see the thousands of pieces in the Herald museum.

ARMISTICE DAY

Armistice Day, what thoughts it brings
Of days now past and gone,
And yet we have the aftermath
Of War that lasts so long.

Crippled men and widows
And children bereft;
Many nations bankrupt
Or with little left.

Upheavels in industrial life,
The balance all out of gear;
And yet men's hearts are heavy
While nations live in fear.

We have not learned the better way,
The way to live in peace;
When nations heed the Saviour,
Just then—all wars will cease.

Miss Allyne Miller Now Faculty Member

The position of second grade teacher made vacant through the resignation of Miss Tiny Whittaker, who married, has been filled by Miss Allyne Miller, teacher in the Goliad school for the past three years.

Miss Miller's preparation was done at Sam Houston State Teacher's College of Huntsville and the University of Texas.

Miss Miller took up her work Tuesday. Mr. Perrin states that Miss Miller previously taught under him at Goliad three years, and that he feels that she will give complete satisfaction in every respect.

LAW

(Continued from page 1)

there is so much bad in all of them and the danger so great if some are adopted, it appears the only sensible thing to do is to vote against all of said amendments and I trust the people of this county and over the state at large may say by their votes at this time more consideration and study must be given when changes are proposed in our Constitution. I take this position after mature consideration and fully aware of the fact that one of these proposed amendments has been indorsed by our present Attorney General and Governor elect, but I point out the fact that according to the statements made by our Governor elect during his recent campaign for the office of Governor, no man in Texas realizes more fully than does he the influence of the powerful interests appearing before our legislature. When he agrees for the Legislature to have such unlimited power in matters of taxation, I feel that he is leaving the road open where he only recently declared there was such great danger. It is a most serious matter, but I make the charge that these proposed amendments are always drawn, worded and couched in such terms and phrases as to not convey the true facts to a free electorate when they come to pass upon the proposals.

I submit these suggestions to you for whatever consideration you may see fit to give.

Respectfully submitted,
ROY LAW, Tax Collector,
Milam County, Texas.

CARD OF THANKS

We are grateful to our neighbors and friends for their kindness and consideration during the recent illness and death of our dear son and brother, Marshall Johnson. We hold in grateful memory the words of sympathy that helped us bear the great burden of sorrow and every act of kindness and sympathy. We thank those who gave flowers in expressing their sorrow and all who in any way were helpful and considerate of us during this time.

Mr. and Mrs. A. T. Johnson and daughter, Dorothy.

Methodist Pastor Goes To Conference

Walter L. Cannan, pastor of the First Methodist church, Cameron, is in Nacogdoches this week attending the Texas Conference. With them are Mrs. Cannan and their daughter, Mary Lee.

Mr. Cannan was admitted to the ministry 21 years ago in that city and his visit will be in the nature of a home coming.

Cameron citizens hope he will be returned to this charge. He recently rendered a worthwhile service in promoting the three day pure food and style show.

Mr. Boedeker is with the Boedeker & Batte gin in Cameron and wants to keep posted on happenings so selects The Herald.

100th Birthday

To be able to live to be 100 years old is one thing; to be hale and hearty and able to enjoy the birthday is another. Mrs. Lurilla Miller, of Millerville, near Hico, Texas, celebrated her 100th birthday anniversary recently with a real birthday party. At the bottom we show her cake, from which her helping was a hefty slice. (Texas News Photos.)

paid out of public funds. They would have to be paid back in other taxes. Vote against it.

No. 6 proposes to authorize cities of 5000 and over to change by vote their charters as often as twelve months apart. If need existed for such action there might be some justification for this amendment, but it is extremely doubtful if any considerable public demand is extant for this proposal. On the other hand this amendment fixes the amount of taxes that may be levied for any one purpose. Any expenditure could not exceed two and a half per cent of the taxable property of the city. Some years ago the power lobby in Austin succeeded in getting a statute enacted preventing public bodies from issuing warrants for utilities. That was a step to shut off public ownership. They went as far as they could. This amendment would absolutely prohibit any city from contracting an indebtedness in the average computation, to own and operate any worthwhile public project. Vote against it.

No. 7 would permit long terms in the average cities for their officials. Experience has shown that in municipal governments frequent expression of the electorate is healthy and besides no administration, especially in the larger cities should be permitted a four or six year entrenchment. Vote against it.

No. 8 is the most vicious of all. It would give to the Commissioners' courts of Texas power to abolish all city governments and take over and manage their affairs. This would build up powerful rings in counties and increase expenditures and make more jobs and vastly complicate government. Rights not specifically granted in the proposal are reserved to the legislature so that authority would in some essential elements be centered in Austin. It is undemocratic. If enacted all three municipal governments in Milam county would be abolished and the county judge would be both judge and mayor of the county and the commissioners would be both aldermen and commissioners. Vote against it.

Go to the polls and vote an intelligent ballot for Milam county and for Texas and let's put an end to these annual plagues of constitutional amendments.

Among the large number who have taken advantage of the good newspaper we publish as well as the rates is Mrs. Ray Mabry who is now reading the Herald.

MARLOW BOYS 4-H CLUB

Marlow Boys 4-H Club met October 23 with Virgil Lake presiding. Roll was called and minutes read and approved. Report on Short Course was made by Virgil Lake and Clydel Walston. Suggestions were made to build bird houses and book racks. The Club boys gave a stunt, the champion boxing bout.

Black-Draught For Dizziness, Headache Due To Constipation

"I have used Theodor's Black-Draught several years and find it splendid," writes Mr. G. W. Holley, of St. Paul, Va. "I take it for dizziness or headache (due to constipation). I have never found anything better. A short while ago, we began giving our children Syrup of Black-Draught as a laxative for colds and little stomach ailments, and have found it very satisfactory." ... Millions of packages of Theodor's Black-Draught are required to satisfy the demand for this popular, old reliable, purely vegetable laxative. 25¢ a package. "Children like the Syrup."

Personel Mention

Frank Sustek who has been a reader of the Herald for a number of years has advanced his subscription date for another year. The publishers appreciate his continued support of this paper. Mr. Sustek believes that conditions have improved some but the devalued dollar only leaves the farmers in about the same status as last year. Debt paying however, has been facilitated by inflation.

Henry Pilling, farmer on route 1 out of Cameron, was in Cameron Saturday and took advantage of his visit to advance his Herald to 1935. Mr. Pilling has been ill with pneumonia and his many friends are glad to know he has improved.

Rudolph Strutz, farmer living on his farm on route 1 out of Cameron was a business visitor in Cameron Saturday and has advanced his subscription date until 1936. Mr. Strutz is a native of Austria having come to America and Milam county when a young man. He reads with interest and some misgiving about developments in his native country.

Dick Clark, wife add son of Waxahachie are here with his parents, Mr. and Mrs. W. I. Clark.

Mrs. Mary Maples is visiting relatives in Rockdale this week.

Mr. and Mrs. Ernest Coffield expect to move to Cameron Tuesday. They expect to make Cameron their home in the near future. We are glad to welcome this splendid couple to our midst.

Mrs. Evelyn Muse has returned from a three weeks tour of the north and eastern states. While away she visited Niagara Falls and the World's Fair. She reported fine weather while away.

Mr. and Mrs. M. L. Worcester of Edinburg are visiting in the home of Mr. and Mrs. Chas. Worcester of Waco.

Miss Imogene Sapp, student at State University, was a week end guest of her parents, Dr. and Mrs. M. C. Sapp.

Miss Frances Sharpe's school began Monday at Gause.

Clayton Sapp, a student at A. & M. College, spent the week end here with his mother, Mrs. Pope Sapp.

Miss Patsie McGregor, freshman in State University, was a week end guest of her mother, Mrs. C. P. McGregor.

Mrs. L. C. Gayle, of Waco, formerly of Cameron, is here on a visit with her many friends. Mrs. Gayle is recuperating from a serious spell of illness.

Miss Gladys Jewell Copus has returned from Louisville, Kentucky, where she had been visiting relatives and now has charge of the ladies ready to wear store of her mother.

Robert Strutz, a brother of Rudolph Strutz, has taken advantage of the new rates to advance his subscription date to the Herald for another year. He is a native of Austria. He takes a keen interest in the affairs of his adopted country as well as his native land where events in the past few months have been subject of world speculation.

E. P. Lester, well known citizen and former business man here, has advanced his subscription date to the Herald. Mr. Lester has completely regained his health and his many friends are glad to know he is enjoying life. He lives in his suburban home north of Cameron and owns a fine sandy land farm near Milano. He was former cashier and vice President of the Cameron State Bank but left the bank some years before it closed.

E. P. Reimer one of the satisfied readers of the Herald in the Sharpe country, was in Cameron Saturday and has advanced his Herald for another year. He is a progressive farmer and has plenty of food stuff and poultry for this winter.

E. M. Cook of Ben Arnold who has been a reader of the Herald for several years, was in the city Saturday and has advanced his subscription date for another year. Mr. Cook enjoyed fair success on his farm this year. The publishers welcome his continued support.

L. S. Svetlik who receives his Herald on route 1 out of Rogers is among the number to renew this week. He says that while on the whole conditions are better, that dollar shortage does not leave the farmers great advantage although the price of cotton has advanced.

Judge Jeff T. Kemp and wife, accompanied by Miss Alice McGehee left Monday for Fort Worth to attend the annual Grand Chapter Order Eastern Star. While there the judge will attend the meeting of the county judges and commissioners. They expect to be home Sunday.

F. L. Phipps, who lives in the Ad Hall community on route 2 out of Cameron, will read the Herald for the next two years. In the community fair held at the Ad Hall school Friday night he was awarded the subscription given by this newspaper as one of the number of merchandise awards.

Niley Smith and Judge Jeff T. Kemp left for Nacogdoches to attend the Texas annual Methodist conference.

Mrs. John Dobbins of Carlsbad, N. M. and her daughter, Mrs. Roger Neblets of Waco arrived Saturday for a visit with Mrs. Jeff T. Kemp. Mrs. Dobbins is much improved from a severe illness of a few days ago, and Mrs. Neblets has returned to her home in Waco.

S. M. U. Ponies Do Stuff in New York; Beat Fordham 26 to 14

The Southern Methodist University Mustangs are shown here ripping through the line of the Fordham Rams at the Polo Grounds in New York. Robert Finley, wiry sophomore back on the Dallas team, is shown with the ball at the extreme left of the picture. The Methodists won 26 to 14 with the regulars in the game about half the time. They surprised the Rams by carrying the ball instead of putting on the famous S. M. U. aerial circus. (Texas News Photos.)

B. Y. P. U. PARTY

The Senior B. Y. P. U. of the Baptist Church enjoyed a party in the annex of the church Tuesday evening, given for the prospective members.

The hall was attractively decorated in the Hallowe'en colors where games and stunts were the diversion, among them fortune telling. A playlet was given by the dramatic club, under the direction of Miss Jolly Blanche Pitts, teacher at York High school.

Later sandwiches, cookies and coffee were served.

Paul Krenke who recently moved from Milam county to Taylor together with his family have returned from a visit to the old home at Industry, Texas where the parents live. Readers of the Herald will recall a recent interesting story of this family. Wilfred Krenke has become a reader of the Herald and will receive the first issue this week at his address at New Elm, Texas. Mrs. Krenke and children, Frank and Norma Lee remained there to visit and will also visit in Harris county. Paul Krenke and Robert Krenke returned to their home in Taylor.

Miss Nettie Huffman, a reader of the Herald for a number of years is among the old readers to renew this week. Miss Huffman lives at the old homestead on route 2 out of Cameron and finds much pleasure in reading about the happenings of Milam county in this newspaper.

Thomas V. Adams of Buckholts is among the large number of old readers to renew under the new rates. Mr. Adams is an attorney and for years has conducted an abstract business in Buckholts. He is a native of Scotland and a man of wide experience and reading and enjoys the Herald.

G. W. Pratt, pioneer, has renewed his subscription until 1936. He owns about 500 acres of land in the Hoyte section. His father came from Tennessee and crossed Little River in 1869 following the Civil War and settled in that community where he reared his family. Mr. Pratt has been on the present farm site for nearly a half century and has engaged in recent years in stock raising as well as farming.

W. B. Denson, young Cameron business man who enjoys a wide acquaintance and an unusual friendship, is among the old readers to renew again for 1935. Mr. Denson has the thanks of the publishers for his continued support of this old established and alert journal.

From Beasley, Texas, comes the renewal subscription of B. Meyen. He has been a reader of the Herald for a number of years and reads each week with interest the happenings of this county.

W. R. Harris, who lives on route 1 out of Cameron, was a business visitor in the city Wednesday and while here advanced his Herald until February, 1936. He says that the Bank head bill seems unfair to small farmers. The injustice of which he complains was demonstrated when he paid out a considerable sum in tax against his cotton crop. Small farmers, he maintains do not share as well as larger planters.

Mrs. A. S. Epperson is visiting relatives in Katy this week.

Red Grapefruit

Here is the new red grapefruit which is being produced in the Lower Rio Grande Valley of Texas. The young lady who inspects the luscious bunch is Miss Virginia Setlman of Brownsville. The fruit has a decided red color which shows through the rind, and is said to have a "blush" for this reason. (Texas News Photos.)

TABERNACLE SERVICES

Revival services continue at the Cameron Gospel Tabernacle nightly at 7:30. Sunday night's subject will be "Drink and Drinkers." Fannin; teacher, Mrs. William Henderson and assistant teacher, Mrs. H. E. Graham; group captains, Mrs. S. E. Brogden and Mrs. H. G. Chamberlain.

W. M. S.

The women of the W. M. S. of the Baptist Church will meet Monday afternoon at 3:30 o'clock in circles at the following homes:

The L. M. will meet with Mrs. Ab Casey.

Mrs. Preston Graves will be hostess to the E. T. G. group.

Members of the L. M. H. will have Mrs. W. M. Fannin for their hostess.

The meeting of the Milam County Baptist Missionary Union was held at Rockdale with the following new officers in charge: President, Miss Gussie Rowlett; recording secretary, Mrs. Dan Gunn; corresponding secretary and treasurer, Mrs. John A. Smith all of Cameron.

The enrollment showed 85 women present, representing nine churches. Of ten W. M. S. in county, eight representatives were present and gave reports.

TEXAS HISTORY IN THE MAKING

No. 5—Fort Griffin Was Redskin Poison

—Think—Talk—Write—Texas Centennial in 1936

General Robert E. Lee selected the site of Fort Griffin long before the Civil War, a high hill overlooking the Clear Fork of the Brazos River. There it was built in Shackelford county, 15 miles north of Albany, in 1867. The rollicking, six-gun town of the same name soon rose in the valley below. This was one of a line of forts that formed Texas' frontier against marauding Comanches. Most notable of Indian expeditions by troops of Fort Griffin was the famous McKenzie drive, which terminated when the Federals shot to death 1,000 Comanche horses in Tule Canyon in the Panhandle, so the Comanches couldn't travel to battle. Their bleached bones may still be seen. The upper picture above is the old quarters for officers at Fort Griffin as it is today, while below is the old bakery, with ovens still preserved. Fort Griffin was abandoned in 1881. Citizens of Shackelford county hope to make the site a state park. (Texas News Photos.)

HATE TO STUDY ?

POOR LIGHT MAKES STUDYING TWICE AS HARD ... AND MAY DO YOUNG EYES REAL HARM

Reading and writing and arithmetic are hard enough for a normal youngster to enjoy without being handicapped by poor light.

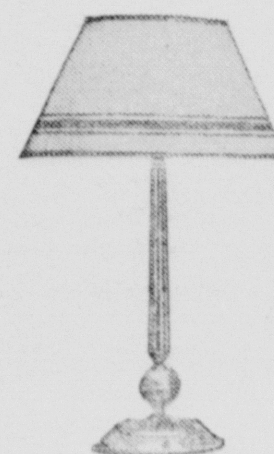

Your child may not know what the trouble is. But you can depend on this: the dimmer the light, the longer she'll require to study, and the more chance of serious eyestrain.

You don't have to be a lighting expert to test the efficiency of the light your child uses. Just sit in the chair she uses and see if you can read this line of fine print without squinting at normal reading distance.

If you can't, her light is too dim. So stop at the Mazda Lamp Dealer's and get a new and brighter bulb, or try—

THE NEW STUDY LAMP

The new type study lamp was designed by the Society of Illuminating Engineers to meet every requirement for close work. Light filters through the opalescent glass reflector right on your work to give ample light for close seeing without glare, while light reflected above gives general illumination for the room and prevents the strain of contrast between bright spots and darkness. The shade has a white enameled interior to increase efficiency and comes in several attractive designs.

Texas Fox Hunters To Hold Annual Meet At Hearne November 5, 6, 7

The Texas Fox Hunters meet will be held at Hearne, Robertson County, Texas, beginning Monday, November 5th, 1934. The camp site, Camp Ed Wicks, is located 6 miles southeast from Hearne on the Wheelock road. All roads leading to the camp are sandy, gravel all-weather roads. There are three highways running through Hearne, viz: Nos. 6, 43 and 69; two railroads intersect at Hearne, the I & G. N. and Southern Pacific.

The first cast (derby race) will be at daybreak Monday morning, November 5. This race will be a one day race. All dogs whelped since January 1, 1933 are eligible for the derby race. All entries on the derby class may continue in the all-age trials without additional charge.

The all-age race will start Tuesday morning November 6 and will last three days. Any hound can be entered whether subject to registration or not.

The Bench Show will be held on Wednesday at 2 o'clock and will be judged by Robert Walker of Paint Lick, Kentucky. Mr. Walker is one of the best posted hound dog men in the United States.

Every dog owner who enters a dog must first join the Association and a fee of \$1.00 will be charged; for each dog entered a fee of \$1.00 per dog will be charged. No extra charge will be made for the Bench Show but no dog can be shown on the bench unless it has been entered in either the derby or all-age trials.

Hon. Wm. J. Tucker, head of the Texas Game, Fish and Oyster Commission of Texas, will address the assembly on Game Conservation just before the bench show.

Camp Ed Wicks was named in honor of Mr. Ed Wicks of Bryan, Texas, one of the oldest fox hunters in Texas and a charter member of the Texas Fox Hunters Association. About 30 wild, grown grey fox

have already been planted in the hunting territory, consisting of a 15,000 acre block of sandy land with no wire fences or houses, but with many spring branches and deep gullies, thick post oak under growth, yupon and bamboo briar thickets, giving the fox plenty of protection. At least 20 more fox will be released on this territory between now and the day of the hunt.

An up-to-date Deleo lighting system will be installed at the Camp site together with an up-to-date restaurant, plenty of good well and running spring water. Those not wanting to stay in camp at nights will find in the city of Hearne three good hotels and three good restaurants.

The Association expects a crowd of from 1000 to 2000 visitors and campers each day and from 200 to 300 as well bred Fox hounds as can be found on earth.

If you intend to ride, bring your saddles, bridles and blankets.

The citizens of Hearne and Robertson county extend to every fox hunter their wives and folks, their invitation to be on hand November 5, 1934.

Yours respectfully,
Penn Wolf, Box 129,
Cameron, Texas.

LIBERTY

Uncle Jack Gunnels is at home and doing nicely with his injured arm.

Dick Gunnels is still in the hospital and will likely be there for some time.

Will Gunnels from Galveston spent the week end with his mother and father.

Visitors in Mrs. Ed Robinson's home Sunday were Mr. and Mrs. Fogle from Cameron, Misses Clydell and Estelle York.

Mrs. Charley Robinson entertained her Sunday School class with a picnic Saturday afternoon.

Mrs. Gamble was called to the bedside of her sister who is very sick.

Earnest Mitchell friend and reader of the Herald is back on the list for another year. Mr. Mitchell was in the city Wednesday and took advantage of the low rates to have the paper go to his address on route 3 out of Rosebud. The publishers welcome his return as a reader.

Jesse Wilkerson, a former resident of this county, and now of Houston with the Texas Company, writes that he wants to read the Herald next year. The paper will go forward to his Houston address. Friends here will be glad to know of his success in the metropolis of Texas.

THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County.—GREETING:

YOU ARE HEREBY COMMANDED TO SUMMON Lawrence Graves by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the court house thereof in Cameron, on the 12th day of November, 1934, the same being the 2nd Monday in November, 1934 then and there to answer a petition filed in said court on the 12th day of July, 1934, in a suit, numbered on the docket of said court No. 11067, wherein Vallie Graves is plaintiff and Lawrence Graves is defendant, said petition alleging: Statutory Grounds of Three Years Abandonment.

Herein fail not, but have before said court on the said first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Feels a Lot Better

When Black-Draught

Relieves Constipation

From many states come reports like the following from Mr. W. M. Henderson, of Jasper, Fla.: "I have been taking Thedford's Black-Draught twenty years. I take it for constipation that gives me a dull, tired, aching feeling, and I hate headache, too. Black-Draught relieves me of this trouble. After a few doses, I feel as good as new. I keep it in my home. I have a big family. When one of us is ailing (from constipation), we take Black-Draught and almost always feel a lot better. It has been worth its weight in gold to my family." ... Sold in 25¢ packages. "Children like the Syrup."

Kent, 89, left, and Col. J. M. Huff, 91, both of Corsicana. They have been inseparable companions at every reunion for the last ten years. (Texas News Photos.)

Joe Zalesky who lives in the suburban section of Cameron becomes a reader of the Herald for the first time, his name having been added to the list Thursday morning. He is a brother to John Zalesky, merchant in Cameron and a member of an old pioneer family here.

Frank Kleiber, one of the progressive farmers of the Buckholts country, will read the Herald next year, having become a subscriber on Monday of this week. Mr. Kleiber lives on Route 2 out of Buckholts. He believes in a general way conditions have shown a decided improvement.

HALLOWEEN PARTY

A color scheme of black and orange carried out the Epworth League Halloween party decorations held Monday evening in the basement of the Methodist church.

Invitations had been extended to the Marlin District and many guests were present from Caldwell, Hearne, Minerva and Rockdale. A number of special features were introduced. The Chambers of Horrors was one of the most popular features. Fortune telling, and miniature football played with eggs held interest, as did the trip to the moon and other games of interest.

At interem cookies and hot coffee were served.

Miss Alice McGehee who attended the annual meeting of the Grand Chapter Order Eastern Star at Fort Worth last week, returned home the last of the week. She is Worthy Matron of Cameron Chapter 553 and enjoyed the meeting.

LUCKY GIRL

Her mother felt that family physicians and child specialists, and the hospitals must be right. A simple test that proves they are.

MRS. STRONG AND DAUGHTER, NANCY

"Dr. Caldwell's Syrup Pepsin brought relief at once," says Mrs. A. G. Strong of 34-47 89th St., Jackson Heights, N.Y.

If anyone in your family is occasionally sluggish or constipated; especially any child, you should know this medical truth:

You cannot get safe relief with any medicine if you cannot regulate the dose. And to regulate dosage, you should have a liquid laxative. With a liquid laxative, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition.

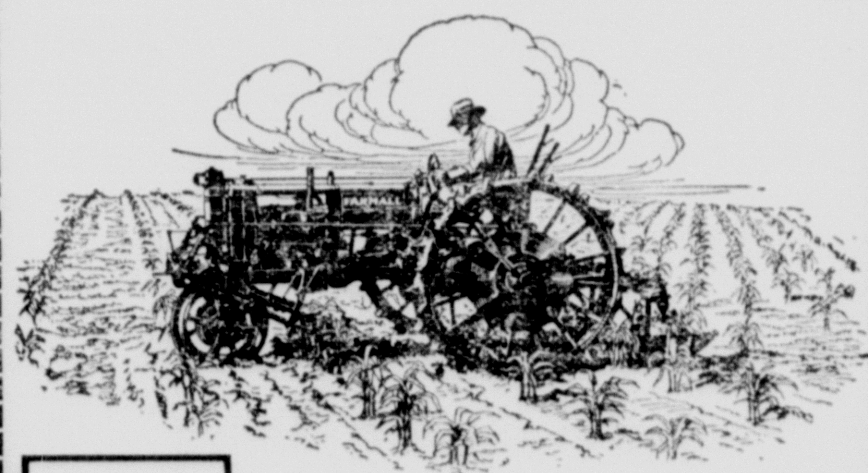

Why Doctors Use Liquid Laxatives

A liquid laxative can be measured. Its action can be thus controlled. If properly made, of natural laxative elements like senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help themselves, not make matters worse.

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative containing herbs, active senna, and cascara, and is the one widely used. You can always obtain it at any drug-store. Why not make the "liquid test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better than you have in a long time.

If you will risk sixty cents to discover the natural, comfortable action of Dr. Caldwell's Syrup Pepsin, we believe bowel worries will be over for your household.

Approaching Marriage of Miss Gladys Davis to Gilbert McCollum of Houston Announced At Davis Home Reception Held Here Saturday

The approaching wedding of one of Cameron's most popular young girls was announced in a delightful manner when Mrs. Judd Davis entertained Saturday afternoon with a brilliant reception at her home on East 15th street, announcing the date of the wedding of her daughter, Miss Gladys Davis to Gilbert McCollum of Houston.

Handsome chrysanthemums and

carnations grouped with fern fronds made attractive the entire reception suite, where some 150 guests gathered.

Misses Lois and Louise Robbins, twin sisters, graciously welcomed the guests at the portals. Miss Bonnelle Neimast and Mrs. Alvin Nolte, a bride of this month, directed them to the receiving line where Mrs. Davis greeted them. With her were Mrs. G. C. McCollum, of Houston, mother of the bridegroom to be, the honoree, Misses Betye McCollum and Imogene Sapp, student at State, and Mrs. George Prendegest of Galveston. A very attractive message was conveyed to the guests in the center of the receiving line where a tall handsome floor basket containing large, beautiful pink chrysanthemums and carnations bowed with wide maline-ribbon streamers revealed the message "Gladys and Gilbert, November 22," which came as a surprise to many of the guests. This told of the approaching marriage of the only daughter of Mr. and Mrs. Judd Davis of Cameron to Gilbert McCollum of Houston. The wedding is to be held at the First Presbyterian church.

Guests were invited into the dining room where brick ice cream centered with pink heart, was served with individual cakes embossed in floral design.

Other members of the house party were Mrs. B. F. Robinson, Mrs. James Watson, Mrs. George Graves, Mrs. W. A. Bonds, Mrs. George Triggs, Misses May Marshall, Dora Emily Moore Ethel Collins, Cora Barmore,

Wiss McDermott, Miss Helen Blaylock had charge of the brides book.

November 22 will be the 24th anniversary of Mr. and Mrs. Davis who were united in marriage in a beautiful wedding in Cameron, followed by a reception at the home of her parents, Mr. and Mrs. J. E. Holtzclaw.

COURTESY FOR MRS. BLAIR

Mrs. Eber Flinn was hostess to two tables of bridge Wednesday given in compliment of Mrs. William Blair of West Palm Beach, Florida, who had been the guest of Mrs. Tom Denson.

A number of games were played and high score was won by Mrs. J. M. Bowman who was awarded an attractive gift. The honoree was presented with a blue Fostoria vase filled with Talisman roses.

The hostess served a salad plate with iced tea.

Mrs. Clifton Jenness assisted the hostess in serving.

The following day, Thursday, Mrs. Jenness was hostess to spend the day party complimenting Mrs. Blair.

SHOWER FOR PASTOR

Complimenting the 21st anniversary of the entrance of Rev. W. L. Cannan in the ministry of the Methodist Church, the Missionary Society showered Rev. and Mrs. Cannan with a delightful pantry shower Saturday evening at the pastor's home taking them completely by surprise.

The women met at the church in the basement and went in a body to the home taking with them a large prettily decorated basket filled with choice home-made jellies, preserves, relishes and edibles with gifts for each one in the family.

Rev. Cannan entered the ministry from the Methodist church 21 years ago following Sunday of the shower, at a conference held at Nacogdoches where the conference is being held this year.

CONTRACT BRIDGE

The Wednesday contract bridge club had as hostess last week Mrs. W. A. Bonds who chose Hallowe'en motif for decorations. Three tables were laid for games.

Closing the games highest score for club members went to Mrs. Jas. Watson, and for guests, Mrs. Rush Thomas was successful, both receiving Fostoria glassware. In the table cut Mesdames Rush Thomas, George Graves and William Howard Baskin were successful. The hostess served refreshments at the close of the games.

Mrs. Will Will Lantrip of Milano was a visitor in Cameron the past week end and while in the city took advantage of the new low subscription rate on the Herald and will be a reader of this paper for 1935. The publishers welcome her to the big family of readers.

Black-Draught For Dizziness, Headache Due To Constipation

"I have used Thedford's Black-Draught several years and find it splendid," writes Mr. G. W. Holley, of St. Paul, Va. "I take it for dizziness or headache (due to constipation). I have never found anything better. A short while ago, we began giving our children Syrup of Black-Draught as a laxative for colds and little stomach ailments, and have found it very satisfactory." ... Millions of packages of Thedford's Black-Draught are required to satisfy the demand for this popular, old reliable, purely vegetable laxative. 25¢ a package. "Children like the Syrup."

Miss Agnes Drizga has returned to her home in Glen Rose after a visit with her sister, Mrs. Joe Raska.

Honoring her daughter, Doris, Mrs. Joe Raska gave a Hallowe'en party at her home Saturday afternoon. To this party twelve little folks came. Games were played after which Mrs. Raska served gold and chocolate cakes, orangeade and Hallowe'en candy.

Johnnie Jones and Miss Lora Fuessel were united in marriage Saturday morning at the Hope Lutheran church, the pastor, Rev. P. Czerkus, performing the ceremony. These young people will live on a farm near Buckholts.

Mrs. Buford McMillion's Sunday School class were honor guests when

Mrs. Elmen Harrell entertained thirty-six young people at her home on Saturday evening. Games of various kinds were enjoyed after which the hostess, assisted by Mrs. McMillion, served refreshments of cake and hot chocolate.

Ed Drescher of Caldwell was a week end guest in the home of Mr. and Mrs. Johnnie Fuchs.

Mr. and Mrs. Urban Barosh celebrated their golden wedding anniversary Saturday and Monday. Saturday morning they went to the Catholic Church at Marak where at 8 o'clock a special Mass was dedicated to them, Father Kacer officiating. On Monday at their home in Buckholts a sumptuous feast was served to some one hundred guests. Mr. and Mrs. Barosh were married in Fayette county, but have lived in Buckholts for a number of years. They have seven daughters, all of whom, except one live in Milam county, and twenty grand children.

Rev. and Mrs. Burke left the early part of this week for Nacogdoches where they are attending the Texas annual Methodist conference.

ALLRED WANTS ALL PROPERTY CLASSIFIED FOR TAX BURDEN

Fort Worth, Oct. 25th.—Fulfilling a campaign pledge to talk frankly with the people about the problems of government, governor-designate James V. Allred delivered a second address in explanation of proposed constitutional amendments relative to taxation. Allred addressed the County Judge Association.

"With a \$12,000,000 treasury deficit this state is facing a financial crisis," Allred said. "The present Legislative Special Session is being urged to appropriate many million more. Add to this your ever mounting relief burdens and surely every citizen must realize that something must be done to equalize oppressive tax burdens."

"Real estate and other tangible property simply cannot bear any further increase in the tax load," declared Allred. "Not only that, but the existing tax burden on tangible property and real estate must be materially reduced."

"While real estate and tangible property represent only one half of the wealth of the state, it bears 97 per cent of the tax burden. The other half, such as stocks, bonds, money, notes, mortgages and other intangible wealth bears only 3 per cent of the tax burden. This is decidedly unfair," Allred said.

"This grave injustice in our tax system can be righted on November 6th if the oppressed taxpayers will vote for the constitutional amendment that appears first on the ballot. Amendment No. 1 authorizes a classification of property for tax purposes and will enable the Legislature to add untold millions to the tax rolls that now escape taxation altogether."

"Amendment No. 1 should not be confused with Amendment No. 3 on the ballot. Amendment No. 3 seeks to place a per capita limit upon state revenues and expenditures. If this amendment had been in force the past two years it would have reduced state revenues approximately \$40,000,000. That would have been

ruinous to our schools and vital governmental agencies. Every friend of the public schools and of efficient state government is against Amendment No. 3.

"I urge that the people be not deceived about these proposed amendments," Allred said. "Amendment No. 1 should be adopted and Amendment No. 3 should be defeated. The moneyed interests and designing politicians are trying to confuse the people either with the slogan 'swat them all' or with the absurd statement that Amendment No. 1 might in some manner affect the \$3,000 homestead exemption."

"In order that real estate may be relieved of the crushing tax burden it now bears, I urge the people of

Texas to vote for Amendment No. 1. In order that our schools may be kept open and the vital functions of government may be efficiently carried on, I urge the defeat of Amendment No. 3."

Billie Slaughter, son of Mr. and Mrs. Hugo Slaughter, was a week end guest of his parents. He is a student at Texas this term.

Miss Imogene Sapp, who is a senior at State University this term, spent the week end with her parents, Mr. and Mrs. M. C. Sapp, and attended the announcements party given her sister, Miss Gladys Davis Saturday afternoon. Miss Sapp is a member of the Tri Delta Sorority.

MILANO

Milano citizens were shocked when word came Sunday morning that Mr. Ben Woods had died at 9 o'clock at the Cameron Hospital where he was carried a few days previous suffering with sinus trouble. He never seemed to get any better. He was 72 years old and had lived in and around Milano most of his time. He had a host of friends to mourn his passing, which was shown by the large crowd of people that attended his funeral. The floral offerings were beautiful. He leaves his widow and 8 sons, Welcome, Henry, Ray, Grover and Homer of Milano; Homer and Alvin of Houston, Lloyd of Chriesman; three brothers and one sister. The funeral was conducted at Milano cemetery Monday afternoon at 3 o'clock by Brother Christian, of Rockdale. Leland Green of Cameron had charge of funeral arrangements.

Mrs. Anton Baggett returned to her home in Dallas Friday after a visit with her mother, Mrs. Harace White.

Mrs. Harvey Holdiness has returned from Lyons where she had been visiting a daughter.

Henry Grey Bullock of Waller was visiting in the home of his brother here last week.

Mrs. S. W. Taylor and father, Chas. Bando and sister, Miss Ada Lee Bando were visiting Miss Taylor in San Marcos last Tuesday.

Mrs. Ora Timmons has returned to her home in Dallas after a short visit here in the home of her parents Mr. and Mrs. J. D. Peebles, Sr. Mr. and Mrs. Al Johnson and baby of San Antonio are guests in the R. E. Thweatt home.

Mr. and Mrs. Percy Drivers of Mart visited in the home of Mr. and Mrs. Ed Hairston last week end.

Miss Marselle Taylor who is attending school in San Marcos spent the week end at home.

Several out of town relatives attended the Wood funeral here Monday. Among them was a sister, Mrs. Williams of Austin.

Mrs. Tom Denson returned from Mart where she attended a family reunion of her sisters and brothers. She was accompanied home by Mrs.

Dr. William Blair of Florida who has been visiting there. Mrs. Blair is leaving Thursday for her home in Palm Beach, after a month's visit here and with relatives at other points near here.

WEEK MISSION OPENS BURLINGTON SUNDAY

Rev. Ambrose Smith of the Dominican Order opens a one-week Mission at St. Michael's church, Burlington, on Sunday morning at 8 o'clock.

The Dominican Order was founded in the year 1216 by St. Dominic. During his life the Blessed Mother appeared to him in a vision and pleaded with Dominic to preach the Rosary. With this weapon he overcame the Albigensian Heresy. The Rosary is the weapon of the Fathers, the sons of St. Dominic in the battle for good against evil. The Fathers preach Jesus Christ crucified with the Rosary.

The principal object of a Mission is to excite the people to greater fervor in regulating their lives according to the sacred truths of our Holy Father.

The sermon topics are as follows: November 4, Sunday morning, The Confessional and Indulgences; Sunday evening, Death and Purgatory; Monday, evening November 5, The Bible and Authority; Tuesday evening November 6, Love and Hate; Wednesday evening November 7, Marriage and Divorce; Thursday evening November 8, The Mass and Sacrifice; Friday evening November 9, The Mother and Son; Saturday evening November 10, Watching in Prayer; Sunday morning November 11, Parents and Children; Sunday afternoon, Victory and Defeat.

During the Mission in the spirit of charity, every facility will be afforded for the instruction or information of non-Catholics who may be desirous of knowing the teachings of the Catholic church.

Services each evening at 7:45. The pastor, Father T. P. O'Sullivan extends an invitation to everybody.

We are glad to report that Oxsheer Smith is improving slowly from his auto accident early in the summer.

The condition of Robert McLane of the McLane Company, wholesale grocery house, is not reported any more favorable.

Burlington Club Meets October 18th

"Personal Hygiene and Grooming" was the subject discussed, when the Burlington Home Demonstration Club met at 2 p. m., October 18th, with Mrs. Leo O'Neil as hostess.

Fifteen members were present. Interesting talks were made as follows: Mrs. H. Kevel, Posture; Mrs. E. J. Krause, Cleanliness; Mrs. Jerome McAtee, Habits that Improve One's Personality; Miss Elizabeth Helpert, Health Habits.

Our County Home Demonstration Agent, Miss Strange will be present for the next meeting on November 5 at 2 p. m., with Mrs. Paul Dillon, our yard demonstrator. The demonstration will be on Foundation Planting. We are expecting a splendid attendance, and visitors are always welcome. Come and get ideas on how to make your yard a place of beauty.

Mrs. Ben Kleypas, Reporter.

Thomas Johnson, 9 Buried at Salem

Thomas Marshall Johnson, 9 years of age, son of Mr. and Mrs. T. A. Johnson of Cameron, died at the family residence Friday. The funeral was held at the First Methodist church Saturday afternoon at 2 o'clock, and interment was in Salem cemetery. The entire community joins with deep sympathy for the parents and little sister who mourn his untimely going.

Marshall was a student in the third grade at the Ada Henderson school, and suffered a heart attack. He was only nine years old, but suffered much. He was a member of the Methodist Sunday School and attended as often as he could, and will be greatly missed.

Surviving him are his parents, a sister, Dorothy, and grand parents.

P. T. A.

Cameron Parent-Teacher Association will hold the November meeting at 3:30 next Thursday November 8. Interesting discussions planned.

Marlow Farmers To Hear Talks From Cameron Teacher

How to prevent and control the common diseases of dairy and beef cattle was the subject for discussion at the Marlow school meeting last week. Sixteen farmers and farm boys were in attendance.

The group decided to spend another meeting discussing disease prevention and control, after which fruit tree pruning, diseases of cotton, terracing, and similar farm problems will be taken up.

Four meetings have been held to date with eight others already planned. Attendance has averaged 22 for the 4 meetings. E. D. Parnell, Cameron Vocational teacher, is in charge of the series of meetings.

FREEMAN

(Continued from page 1)

ture has increased the expenses of the state government in the last 30 years from 10 million dollars a year to 107 million dollars a year; and for the last eight or ten years it has required the gross value of two million bales of cotton at ten cents to pay the outlay of the state government. This is the thing that has brought on the present depression.

In spite of the sad condition of hunger and want that now prevails in Texas, the Legislature is attempting to tax the people a few million more for the Centennial Show at Dallas.

Considering the record of the Legislature for the last thirty years it is not wise to confer upon them additional taxing power. It would be the salvation of Texas if some of the power the Legislature now has was taken from them.

None of the eight amendments submitted are in the interest of the people, and all of them should be defeated.

J. K. FREEMAN.
